

Jump with me, Lord

1. Solo: *Lord, I'm surrounded by walls, no where to turn to,
walls so thick, I see no way to break through,
walls so high, I can barely see the sky.
Lord, I pray to you 'cause I'm afraid to try.*

With you by my side there ain't no walls too high.

I beg, oh put my feet on solid ground.
Give me strength and make a perfect way.
Lord, I pray to you, please help me when I say.*
